

# HOW IT WORKS

- 1.**  Fill out the online form with your property address

- 2.**  You will get a call from a team member to gather more information about your home and situation.

**3.**

After our market analysis of your home, we will then send you an offer with our fare offer price.

**4.**

Once we agree on a price, we get the paperwork started.

**5.**

Title company does more paperwork, we go through title search. Once everything is clear, we go through the closing process. Title company will then cut you a check for the agreed offer price.
